

IMPORTANT: NEW REGULATORY REQUIREMENT FOR DIRECTORY UPDATES AT SPECTERA.COM

In February and March, we'll be rolling out a new feature at spectera.com -- you'll be prompted to visit the Entity Management section to review your practice's directory information and either attest to its accuracy or submit changes. [Click here to learn more.](#)

Happy New Year!!

Welcome to 2017 - a new year full of new opportunities! We want to thank you for your continued participation with Spectera Eyecare Networks and look forward to working with you this year. We can't wait to get started!

Meet the Spectera Vision Laboratory

We're proud of the work our lab has done to improve the services they provide to you. We'd like you to see our new video that explains the work done by the Spectera Vision Laboratory, including their focus on quality and efficiency.

New Year's Resolutions & Your Patients

The new year brings New Year's resolutions. Help your patients reach their health and wellness goals by reminding them that eating healthy supports a healthy body, including healthy eyes.

A flier is available for you to share with your patients about the benefits of a healthy diet at spectera.com -> Links and Tools -> Bridge2Health -> Patient Wellness Fliers -> Nutrition and Eye Health.

Thank you for your valued partnership!
