

ANTI-REFLECTIVE & PROGRESSIVE FORMULARY UPDATE - EFFECTIVE JULY 1ST

Updates will be made to our anti-reflective and progressive formularies, effective July 1. [Click here to learn more.](#)

Network Administration Update - Effective July 1st

Please review the new Network Administration Manual, available July 1 on spectera.com.

June is Alzheimer's & Brain Awareness Month

Your patients may know that an eye exam can lead to identification of chronic conditions such as diabetes and hypertension, but do they know that eye exams can also show early warning signs of Alzheimer's disease? [Use this link](#) to explain to your patients how an eye exam can now be a critical component in identifying Alzheimer's.

To further your own understanding of Alzheimer's disease and how an earlier diagnosis can improve the life of your patients, [click here](#).

How to Save Time, Money & the Environment

Want to save time, money and the environment? Electronic Payments & Statements can help you work more efficiently in your practice. [Click here](#) to learn how!

Show us your Shades!

In honor of National Sunglasses day on June 27, we invite you and your staff to show us your

shades!

Post photos of yourself and your office staff to Facebook, Twitter and Instagram using #NationalSunglassesDay and #SpecteraEyecareNetworks so your patients can check out your cool sunnies! We'll feature participants in our next newsletter.

NEW! Lens-Only Order Training

New training has been developed to explain the process of submitting lens-only orders on spectera.com. Lens-only orders are a great way to improve order processing speed and accuracy at Spectera Vision Labs.

You can find the new training guide on spectera.com -> Online Resources -> Online Training Center.

Thank you for your valued partnership!
