### Vision Expo West Update

We apologize for the miscommunication regarding our meeting location at Vision Expo West. Our meeting space was located in the Venetian Hospitality Parlor, not the neighboring Palazzo Hospitality Parlor as was stated in one of the published materials. We sincerely apologize for the confusion that this caused, we appreciate those who were able to track us down and meet with us. We were able to have some very productive meetings and enjoyed meeting everyone, we look forward to another event next year.

*Thank you for your valued partnership!*
