

NEW! POST-CATARACT CLAIMS PROCESS

We have simplified the process for submitting post-cataract claims! You are now able to file a claim for post-cataract materials without delay, using the same submission method as your other claims - spectera.com, EDI and HCFA included. You are no longer required to submit the paper form to customer service - simply log in to spectera.com and utilize the claim entry functionality.

[Click here](#) to see our new training guide for submitting post-cataract claims on spectera.com.

February is Black History Month

In honor of Black History Month, the National Eye Institute has released an infographic called African Americans and Eye Health: Focus on Your Vision. [Click here](#) to access the image, which can be downloaded and shared with your patients, or posted to your office website. You can also access other resources to share with your patients about Black History Month [here](#).

Faster Save & Calculate Feature on Spectera.com

In recent weeks, you may have experienced issues with the save and calculate functionality on spectera.com. We apologize for the inconvenience - the issue has been resolved and the page is fully functional again. Thank you for your patience and understanding!

Thank you for your valued partnership!
