June 27 is National Sunglasses Day

In honor of National Sunglasses day on June 27, we invite you and your staff to show us your shades!

Post photos of yourself and your office staff to Facebook, Twitter and Instagram using #NationalSunglassesDay and #SpecteraEyecareNetworks so your patients can check out your cool sunnies! We'll feature participants in our next newsletter.

Reminder: Check Eligibility with Spectera Eyecare Networks First

When your patients aren't sure which coverage they have, verify benefits and eligibility with Spectera Eyecare Networks first. You can do this anytime online at spectera.com. You can also use our Interactive Voice Response (IVR) system, by calling (800) 638-3120. When you use the IVR, you can opt to receive a fax confirmation.

Happy Father's Day!

Father's Day is on June 17th. Celebrate the men who visit your practice by encouraging them to get their annual physicals and eye exams. The American Heart Association has put together a list of the top 10 reasons men put off doctor visits, and 10 ways to counter those reasons.
