### UnitedHealthcare Vision and TRICARE® - Enrollment Season Coming Soon!

As a reminder, TRICARE® Retirees and active Military family members will now be able to select UnitedHealthcare vision coverage through the Federal Employees Dental and Vision Program (FEDVIP)! The Defense Health Agency (DHA) recently began to mail of over 5 million postcards to TRICARE participants who will be enrolling for 2019 FEDVIP benefits.

Now is a great time to remind your patients who are eligible for FEDVIP that as a Spectera Eyecare Networks provider, you accept UnitedHealthcare vision insurance, one of the four FEDVIP carriers contracted with the Federal Government to provide vision care.

Patients with questions about enrollment can visit [tricare.benefeds.com](http://tricare.benefeds.com) for more information.

### Checking your Electronic Payment Services

It's important that you check your statements for your Electronic Payment Services (EPS) at [spectera.com](http://spectera.com). Optum does not send notice of balance or action required, so it's important that you check your online statements to make sure everything is up to date.

To sign up for EPS, click [here!](#) or call 1-877-620-6194.
